Welcome to the Cape Cod Classics Car Club's Sponsor program!

Dear Sponsor,

We hope this letter finds you well. The Cape Cod Classics Car Club is excited to invite your business to become a sponsor of our 2024 initiative. Your support, through a \$300 donation, will play a crucial role in our mission to give back to the community.

As a valued sponsor, your business will receive recognition and exposure through various channels. Here's how your \$300 donation will make a positive impact:

- 1. Support for Toolships and Scholarships:** A significant portion of your contribution will directly fund our Toolships and Scholarships program for 2024. This program involves awarding \$2,000 to each of the two Cape Technical Schools. The funds are utilized to provide tools for students in the Automotive Collision Repair and Automotive Technology programs, fostering education and skill development.
- 2. Total Impact Over the Years:** We're proud to share that over the last seven years (2017-2023), the club has awarded 8 scholarships and 16 Toolships, amounting to a total disbursement of \$18,413. Your sponsorship will contribute to continuing this impactful legacy of supporting local education.
- 3. Recognition on Club Website:** Your business will be prominently featured on our club's website with a dedicated page expressing our gratitude and showcasing your logo. This includes a clickable link to your business website, providing valuable online exposure.
- 4. Plaque for Your Business:** In appreciation of your support, we will present your business with a commemorative plaque. This physical representation serves as a lasting acknowledgment of your commitment to the local community.
- 5. Club Trailer Magnet:** Your business logo will be displayed on a magnet attached to our club trailer, which will be showcased at all Cruise nights and events. This mobile advertisement ensures your business gains visibility among a diverse audience.

We believe that this partnership not only benefits our club but also provides your business with a unique opportunity to make a positive impact in the community. To confirm your sponsorship or discuss this further, please contact me directly at 774-521-5698 or mike@capecodclassics.org.

Thank you for considering sponsorship of the Cape Cod Classics Car Club. Together, we can continue supporting education and making a difference in our community.

Sincerely,

Mike Grillo
